

Library Director-Iberville Parish Library

The **Iberville Parish Library** system is seeking a creative, energetic individual with a strong public service ethic to direct all phases of operation of its **8** library locations and a motivated and well-trained staff of **32 FTE**. Iberville Parish enjoys a strong economy and a solid property tax base which provides for a healthy annual operating budget of over **\$4 million**. This position requires thorough knowledge of library programs and services-both in physical media, and electronic/digital formats. Must demonstrate a deep knowledge of business office workings, budgeting, buildings' maintenance, staff management, and fostering positive community relations. Experience communicating and working effectively with library boards and local government, schools and civic organizations is also essential.

Qualifications:

- Master of Library Science from an ALA accredited program.
- Executive Certificate from the Louisiana Board of Library Examiners, State Library of Louisiana, or be able to attain certification within first year of employment.
- A minimum of five years post MLS library experience with increasing executive responsibility administering library programs and facilities.
- Full-time position requiring daytime and occasional evening and weekend hours.

Benefits:

A generous benefits package of vacation, holidays, and sick leave.
Excellent retirement system and library currently pays \$600.00/month of employee's health insurance.

Salary:

\$87,000 + commensurate with experience and skill set.

APPLICATION DEADLINE:

Review of resumes will begin immediately, and resumes will be accepted until the position is filled.
Projecting an approximate start date of April 3rd.

CONTACT:

Interested persons should submit a letter of application, resume and three professional references to:
